## Marston Vale Community Forest Visitors Centre

### Description:

This exciting new visitors center was constructed on the site of the former London Brick Works. The 80 acre site includes many lakes, reed beds etc, attracting a wide range of wildlife.

The main visitor centre has been constructed from various materials, timber being an essential element. The spaces created give a welcoming effect to the visitors.

### • Architect:

GHM Rock  
Townsend

### • Overall Project Value:

£4m
